

NIGHTHAWK™ LED Sealed Beams

Brighter light. More light. Longer life.

Trust the LED replacement that's not only brighter than standard halogen sealed beam headlights but it's long-lasting, too, at 15,000 hours. Need additional performance assurance? Tungsram NIGHTHAWK™ LED Sealed Beams come with a three-year limited warranty.

And because Tungsram knows how important it is to drive compliant, these lamps meet DOT regulations. Choose our sealed beam replacement system for your LED upgrade and you can trust that it has the proper casing, making it the legal way to enhance your nighttime driving.

New name. Same great quality.

GE Automotive Lighting is now part of the Tungsram Group.

Tungsram Automotive Lighting delivers a wide range of solutions that put a premium on quality, value, visibility and style.

Replace with Tungsram NIGHTHAWK LED Sealed Beams.

Limited Three-Year Warranty

Limited Warranty: Guaranteed to last three years when used in a vehicle's headlamp for no more than 3,000 hours per year and at a maximum ambient temperature of 50°C. If this bulb does not last three years, return UPC and receipt along with your name and address to: Tungsram U.S. LLC., Product Service Dept. via tungsram.auto.pso@tungsram.com. Tungsram will replace your bulb. BULB REPLACEMENT IS TUNGSRAM'S SOLE WARRANTY OBLIGATION, AND INCIDENTAL AND CONSEQUENTIAL DAMAGES ARE EXCLUDED. Some states do not allow the exclusion or limitation of incidental or consequential damages. This warranty gives you specific legal rights, and you may also have other rights, which vary from location to location.
