Megalight Ultra +150

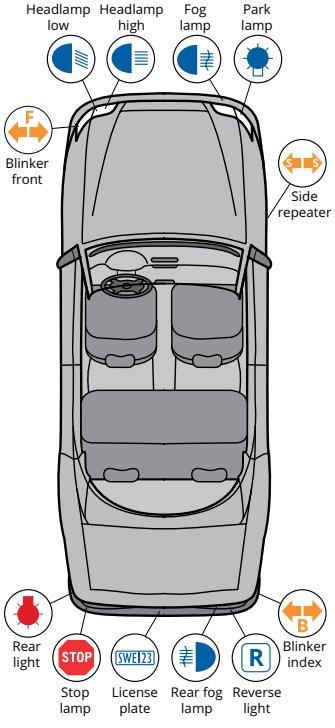

Up to **150%** more light on the road

Maximum safety through ultimate performance

- Brightest halogen headlight lamps meet and exceed the highest performance levels.
- Safer, easier night driving, with better reflections from road markings and signs.

Megalight Ultra +130

- Generates more light on the road by optimized filament design with 100% xenon fill and specialized coating system.
- Silver top gives an attractive appearance, especially in clear lens reflector headlamps.

Megalight Ultra +150

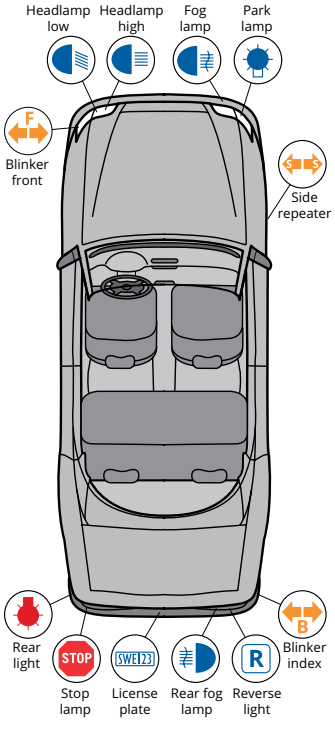

Up to **150%** more light on the road

Maximum safety through ultimate performance

- Brightest halogen headlight lamps meet and exceed the highest performance levels.
- Safer, easier night driving, with better reflections from road markings and signs.

Megalight Ultra +130

- Generates more light on the road by optimized filament design with 100% xenon fill and specialized coating system.
- Silver top gives an attractive appearance, especially in clear lens reflector headlamps.

Megalight Ultra +120

- Intense and powerful lamp in terms of luminance, for safer driving
- Improved headlamp illumination level helps in reduction of accidents at night time/in poor visibility conditions.

Megalight Ultra +150

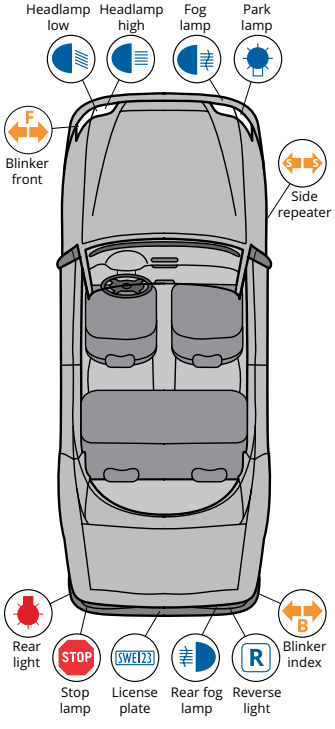

Up to **150%** more light on the road

Maximum safety through ultimate performance

- Brightest halogen headlight lamps meet and exceed the highest performance levels.
- Safer, easier night driving, with better reflections from road markings and signs.

Megalight Ultra +130

- Generates more light on the road by optimized filament design with 100% xenon fill and specialized coating system.
- Silver top gives an attractive appearance, especially in clear lens reflector headlamps.

Megalight Ultra +150

Up to **150%** more light on the road

Maximum safety through ultimate performance

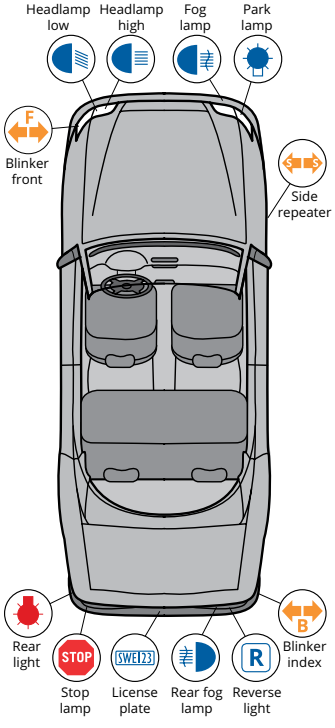

- Brightest halogen headlight lamps meet and exceed the highest performance levels.
- Safer, easier night driving, with better reflections from road markings and signs.

Megalight Ultra +120

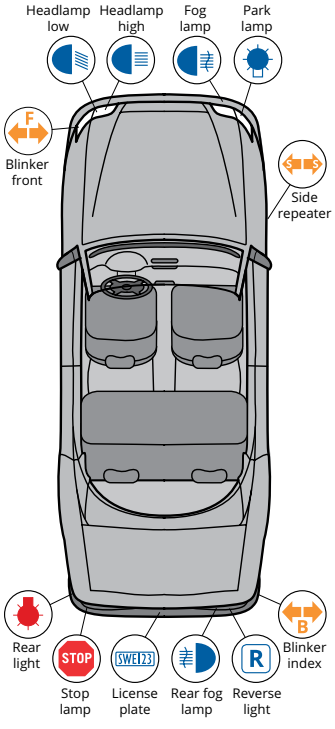

- Intense and powerful lamp in terms of luminance, for safer driving
- Improved headlamp illumination level helps in reduction of accidents at night time/in poor visibility conditions.
