Long Life

Long life

Long-life lamps that last from here to the horizon.

Tungsräm long-lasting headlamps and miniatures save time and money in the long run. With life that lasts two to six times as long* as standard bulbs, they're designed to deliver high-quality light with less need for replacements. It's convenient, hassle-free maintenance that leaves more money in your pocket and more time in your day.

*When compared to Tungsräm standard halogen lamps.
