## NIGHTHAWK™ PLATINUM

Maximum white light.  
Maximum peace of mind.

High-performance lamps for visibility, convenience and style.

Regardless of the nighttime conditions, Tungsum NIGHTHAWK™ PLATINUM headlamps give you more visibility to see and react to what's ahead. And their white-light style makes them stand out for other drivers on the road, too.

\* Compared to a Tungsum standard halogen headlamp bulb.  
Specific light levels vary by bulb type and headlamp assembly
