Brightest*

Greater
visibility

Quality and visibility that go far and wide.

The cutting-edge look of NIGHTHAWK™ XENON headlamps presents the highest performance of NIGHTHAWK™ technology. Tungfram NIGHTHAWK™ XENON is a revolutionary solution that propels style and performance similar to HID-caliber lighting at a fraction of the cost. That means no high-cost conversion!

* Compared to a Tungfram standard halogen headlamp bulb. Specific light levels vary by bulb type and headlamp assembly.
