NIGHTHAWK™ XENON

Quality and visibility that go far and wide.

The cutting-edge look of NIGHTHAWK™ XENON headlamps presents the highest performance of NIGHTHAWK™ technology.

Tungsram NIGHTHAWK™ XENON is a revolutionary solution that propels style and performance similar to HID-caliber lighting at a fraction of the cost. That means no high-cost conversion!

With the exception of the H4, all Tungsram halogen headlamps above are DOT compliant.

Tungsram NIGHTHAWK™ XENON casts a bright, white light for better visibility down the road and around the bend. The silver top gives an attractive appearance, especially in clear reflective headlamps. They operate on standard 12V power with no costly or complex converters to install.
