NIGHTHAWK PLATINUM®

Maximum white light.
Maximum peace of mind.

High-performance lamps for visibility, convenience and style. Regardless of the nighttime conditions, Tungsten NIGHTHAWK PLATINUM® headlamps give you more visibility to see and react to what's ahead.

And their white-light style makes them stand out for other drivers on the road, too.

* Compared to a Tungsten standard halogen headlamp bulb. Specific light levels vary by bulb type and headlamp assembly.
